

Sunday May 3rd 9:00 am Exclusive Equine Center 9610 140th. St. N., Hugo, MN

9:00 am Dr. Brian Hoefs DVM

Dr. Brian Hoefs, DVM is a graduate of the University of Wisconsin-Madison and manages a solo practitioner ambulatory service focusing on equine reproduction with emphasis on mare management including reproductive ultrasound, estrus manipulation, hormone therapy, artificial insemination, and embryo transfers. Dr. Hoefs currently teaches at the University of Wisconsin-River Falls and is the attending reproduction veterinarian for the breeding program at Exclusive Equine Center.

10:00 am Kris Hansen

Equine Specialist – Land O’ Lakes Purina Feeds LLC
“Feeding Special Needs Horses”

11:00 am Cordia Pearson - The Saddle Fitter

Cordia is one of ten Society of Master Saddlers Qualified Saddle Fitters in the US. As such, her loyalties are to her clients, not to a company. From Olympians to Occasional, Cordia saddles them all. She participates in the design and improvement of many of the saddles she represents. As often as her schedule allows, she rides with Paul Belasik, studying the Science of the seat.

1:00 pm Charlie Westman DVM Chiropractic for Horses and Dogs

Dr. Westman's unique approach to equine health blends the expertise of integrative veterinary medical skills with the insight and wisdom gained from a lifetime of experience with horses.

Dr. Westman is the only equine veterinarian in Minnesota certified and licensed to practice both animal chiropractic and acupuncture.

Information on Pasture Management and Manure based Composting presented by Betsy Wieland - University of Minnesota AG Extension Educator
